The Corporate Governance Report prepared by **SHREE RAM PROTEINS LIMITED** (“SRPL”) (CIN L01405GJ2008PLC054913) (“the Company”), contains details as stipulated in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and para C and D of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (“the Listing Regulations”) (‘applicable criteria’) with respect to Corporate Governance for the year ended March 31, 2021. This report is required by the Company for annual submission to the Stock exchange and to be sent to the Shareholders of the Company.

Management’s Responsibility

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report. The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor’s Responsibility

Our responsibility is to provide a reasonable assurance in the form of an opinion whether the Company has complied with the condition of Corporate Governance, as stipulated in the Listing Regulations.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedures includes but not limited to verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the Company.

The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve me performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

Opinion

Based on the procedures performed by me as referred above and according to the information and explanations given to me, I am of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the applicable period i.e. September 22, 2020 to March 31, 2021, referred above.

Other Matters and Restriction on use

This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations and should not be used by any other person or for any other purpose.

Accordingly, I do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

India currently processes less than 10% of its agri output (only around 2% of fruits and vegetables, 6% of poultry, 21% of meat, 23% of marine and 35% of milk) and most of the processing that is done in India can be classified as primary processing – done through rice, sugar, edible oil and flour mills etc. However, primary processing offers lower value-addition compared to secondary processing that includes processing of high value items viz fruits and vegetables, dairy, bakery, chocolates etc. Thus, given the high production levels along with low processing current processing rates, the sector presents huge opportunities. The need of the hour is to move up the value chain in processed food products by establishing efficient backward linkages to contribute to nation's food security as well as contribute towards improving the income level of the farmers by reducing food wastages (which are as high as US\$1.5 billion Rs 92,000 crores annually) and enhance food as well as processed food exports (which currently stand at 2.31% and 10.69% respectively). The industry experiences a conducive growth environment in terms of availability of raw materials, which is evident from the fact that the Indian food and beverage industry witnessed revenue growth of ~13.41% during the 2015-2019 period. Further, increase in the per capita income and rise in the living standards of people are propelling the growth of the food processing market in India. On the other hand, there is a lack of storage infrastructure faced by the industry (hygienic cold chains, well-established distribution system and transportation networks), which is impeding the growth of the industry in India.

India's diverse agro-climatic conditions, which favors the production of food ingredients in bulk, and availability of promising infrastructure - these are the two primary factors that aided the Indian food processing industry to become the fifth largest in the world.

Currently, the food processing industry in India accounts for ~32% of India's food market, and ~11.6% share of employment in the domestic food industry. Further, the industry accounts for ~2.2% of the total FDI inflows in India. Although the unorganized sector dominates the industry, the organized sector is expected to develop during the forecast period (FY 2020-FY 2024).

MARKET INSIGHTS

The food processing market in India was valued at INR 25,691.30 billion in FY 2018 and is expected to reach INR INR 53,435.52 billion by FY 2024, expanding at a CAGR of ~12.09% during the FY 2020-FY 2024 period. The industry experiences a conducive growth environment in terms of availability of raw materials, which is evident from the fact that the Indian food and beverage industry witnessed revenue growth of ~13.41% during the 2015-2019 period. Further, increase in the per capita income and rise in the living standards of people are propelling the growth of the food processing market in India. On the other hand, there is a lack of storage infrastructure faced by the industry (hygienic cold chains, well-established distribution system and transportation networks), which is impeding the growth of the industry in India.

SEGMENT INSIGHTS

The food processing industry in India can be segmented into dairy processing, fruits and vegetables processing, fish processing, meat and poultry processing, and other segments like grains and spices processing. Based on volume, the fruits and vegetables processing segment is expected to increase at a CAGR of ~14.84%, during the FY 2020-FY 2024 period. Likewise, the dairy, meat, poultry and fish processing segments would increase at CAGRs of ~8.17%, ~17.24%, ~8.99% and 12.03%, respectively.

GLOBAL INVESTMENTS:

India has significantly improved its rank in World Bank's Ease of Doing Business Survey 2019, and is ranked 77th, a leap of 23 ranks over last year ranking, among 190 countries assessed by the World Bank. The continued efforts on improving ease of doing business will in the long run help boost investor confidence. Backed by the enabling business environment, FDI inflow into Indian food industry has been increasing steadily. Between April 2014 to March 2019¹², the sector has witnessed FDI equity inflow of USD 3.28 billion. Over the past five years ending in FY19, FDI inflow into Indian food industry has been increasing at a CAGR of 4.02%.

SUMMARY OF OUR BUSINESS

We are engaged in the business of de-linting and de-hulling of cotton seeds by mechanical process, oil extraction from cotton seeds and solvent extraction from cotton seeds oil cake and ground nuts. Our manufacturing process is in three stages (I) De-linting and de-hulling of Cotton seeds, this process result in manufacture of shot fiber (linter), and De-linted cotton Seeds (II) Cotton seeds oil extraction process result in pre refine cotton seeds oil and cotton seeds oil cake and (III) Solvent extraction process, result in pre refine wash oil and de-oil cotton seeds cake. Cotton linter can be use in manufacturing of papers and as raw materials for manufacture of cellulose, this can be further process for medical and cosmetic purpose, linter can be broadly classified as a industrial rawmaterials. Cotton seeds oil cake, cotton seeds de oil cake and cotton hull are used as animal feeds. Cotton seed pre refine oil further process by refinery to convert in to edible oil.

FACTORS AFFECTING OUR RESULTS OF OPERATIONS

Our results of operations and financial conditions are affected by numerous factors including the following:

- Competition and price cutting from existing and new entrants
- Change in price of raw material
- Working Capital arrangements.

OUTLOOK

We believe, the Company has a great deal of opportunities for future growth. There is enormous untapped potential across our established brand equity, target geographies and diversified product portfolio and we continue to take several steps towards capitalizing on these growth drivers. Our vision is being directed towards the innovation of products, further complimented by improved packaging.

The Company also continues to converge on improving business capabilities and enhancing growth levers. Improved R&D capabilities, enhanced retail format expansion, design abilities and better inventory management amongst others will help reinforce our competitive advantages.

THREATS, RISK AND CONCERNS

The industry is highly fragmented in the hands of several organized and unorganized players. Due to the attractiveness of the opportunity and large potential, competition across the industry in India is rising significantly.

The Company is concerned about prevailing exposure norms, financial position, entry of new players in the market, rising competition from banks & multilateral agencies, uncertain business environment, fluctuation in rupee, likely increase in cost of capital due to volatile market conditions. Further, the state of business and policy environment in the country also has a cascading effect on the interest-rate regime, cost and availability of raw materials and gestation period & capital outlays required for raw material. General economic conditions may also affect the capacity and production of the manufacturing of the products.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

The Company's relations with the employees continued to be cordial and harmonious with its employees. It considers manpower as its assets and that people had been driving force for growth and expansion of the Company. The Company acknowledge that its principal assets is it employees. The Company has continued its efforts in building a diverse and inclusive workforce.

The total number of employees on roll in the Company as on 31st March, 2021, including factory workmen, was 30. The Company will continue to create opportunity and ensure recruitment of diverse candidates without compromising on meritocracy.

AUDIT REPORT TO MEMBERS TO THE SHARE HOLDERS OF SHREE RAM PROTEINS LIMITED

Report on the Indian Accounting Standards (Ind AS) Financial Statements

Independent Auditor's Report

To the Members of **Shree Ram Proteins Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Shree Ram Proteins Limited** ("*the Company*") which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Cash Flows, and Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report except as stated in the Emphasis of Matter below.

Emphasis of Matter

The Company's management is responsible for carrying out the inspection of its inventories on a regular basis. We have not independently verified the inventories of the Company during the year under review. Any adjustment to the value of inventories as appearing in the balance sheet of the Company may have an effect on the profit and net assets of the Company for the period and year ended March 31, 2021.

We draw attention to Note 7 of the financial statements, where included in debtors are certain debtors which are outstanding for a period of more than six months. There is no security against these debts. The management of the Company continues to maintain that such debtors be considered good and recoverable and that the management is taking all necessary steps to recover such debts.

Our opinion is not modified in respect of this matter.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- g. The Company has paid managerial remuneration in accordance with the provisions of Sec. 197 of the Companies Act, 2013 as amended from time to time during the reporting period.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company

Annexure A

Referred to in the section Report on Other Legal and Regulatory Requirements on of the Independent Auditors' Report of even date to the members of Shree Ram Proteins Limited on the financial statements as of and for the year ended March 31, 2021

- a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- b) The Company has a program of verification of fixed assets to cover all the items in a phased manner over a period of 3 years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanation given to us, no material discrepancies were noticed on physical verification of fixed assets.
- c) The title deeds of immovable properties, as disclosed in the notes on fixed assets to the financial statements, are held in the name of the Company.
- ii. The physical verification of inventory have been conducted as reasonable intervals by the Management during the year. The discrepancies noticed on physical verification of inventory as compared to book records were not material. We have relied mostly on the management representations in this matter.
- iii. The Company has not granted any loans to any parties covered in the register maintained under section 189 of the Companies Act, 2013 ("the Act"). Accordingly, the provisions of Clause 3(iii) of the Order are not applicable to the Company.
- iv. The Company has not granted any loans or made any investments or provided any guarantee or security to the parties covered under Sections 185 and 186. Therefore, the provisions of Clause 3(iv) of the said Order are not applicable to the Company.
- v. The Company has accepted deposits from the public of Rs. 42,371,698/- within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified. The Company has not complied with the provisions of the said Sections of the Act and the Rules framed thereunder. No order has been passed by the Company Law Board, National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal in this matter.
- vi. Pursuant to the Rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the same, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii.
- a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of income-tax, profession tax, sales tax, VAT, GST and service tax, and including provident fund, employees' state insurance, duty of customs, duty of excise, cess and any other material statutory dues, as applicable, with the appropriate authorities a part from a few cases of delay in payment of income-tax, GST and provident fund. There are no undisputed statutory dues outstanding as at 31st March, 2021, for the period of more than six months from the date they become payable.

Name of Statute	Nature of dues	Amount (in Rs.)	Period to which the amount relates	Due date of payment	Date of payment	Remarks, if any
Not Applicable						

- b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income-tax, sales tax, wealth tax, VAT and any other material dues which have been disputed.
- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments) and term loans. Accordingly, the provisions of Clause 3(ix) of the Order are not applicable to the Company.

- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instances of material fraud on or by the Company, noticed or reported during the year, nor have we been informed of such case by the Management.
- xi. The Company has paid managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V of the Act.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. In our opinion and according to information and explanations given to us, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the financial statements as required by the applicable accounting standards.

Annexure B

Referred to in point f. of the section Report on Other Legal and Regulatory Requirements of the Independent Auditors' Report of even date to the members of Shree Ram Proteins Limited on the financial statements for the year ended March 31, 2021

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

In conjunction with our audit of the financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over the financial reporting of **Shree Ram Proteins Limited** ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Disclaimer of Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2021:

- a. The Company does not have an internal process to report deficiencies in internal control to management on a timely basis.
- b. The Company has inadequate segregation of duties with respect to procedures used to enter transaction totals into the general ledger; initiate, authorize, record, and process journal entries into the general ledger; and record recurring and non-recurring adjustments to the financial statements.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except above, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

(B) FAIR VALUE HEIRARCHY

Fair value is the amount for which an asset could be exchanged, or a liability settled between knowledgeable willing parties in an arm's length transaction. The Company has made certain judgements and estimates in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company as classified the financial instruments into three levels prescribed under the accounting standard. An explanation of each level is as follows:

Level 1: Level 1 of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2: Level 2 heirarchy includes financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity- specific estimates.

Level 3: If one or more of the significant inputs is not based on the observable market data, the instrument is included in Level 3 heirarchy.

(C) VALUATION TECHNIQUES

Specific valuation techniques used to value financial instruments include

- the use of quoted market prices for mutual funds
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis or such other acceptable valuation methodology, wherever applicable

There are no items in the financial instruments, which required level 3 valuation.

Note: 36 Capital Management

The Company policy is to have robust financial base so as to maintain outsider's confidence and to sustain future development of the business. Management monitors the return on capital, as well as level of dividends to equity shareholders. The Company monitors capital using a ratio of "adjusted net debt" to "equity". For this purpose, adjusted net debt is defined as total liability, comprising interest-bearing loans and borrowing, less cash and cash equivalents. Total Equity includes the share capital, other equity.

The capital gearing ratio is as follows:

Particulars	31-Mar-21	31-Mar-20	01-Apr-19
Borrowings (Incl. Current Maturity)	4,372.30	3,952.32	4,198.40

Note: 37 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, viz liquidity risk, market risk and credit risk. The Management of the Company has the overall responsibility for establishing and governing the Company's risk policy framework. The risk management policies are formulated after the identification and analysis of the risks and suitable risk limits and controls are set which are monitored & reviewed periodically. The changes in the market conditions and allied areas are accordingly reflected in the changes of the policy. The key risks and mitigating actions are placed before the Audit Committee of the Company who then evaluate and take the necessary corrective action. The sources of risk, which the Company is exposed to and how the Company manages these risks with their impact on the Financial Statements is given below:

Risk	Exposure from	Measurement	Management
Credit risk	Trade receivables, Cash and cash	Aging analysis, Credit ratings	Company sets credit limits on customers and may even obtain bank guarantees
Liquidity risk	Borrowings, Trade payables and other liabilities	Cash flow budgeted Vs actuals	Availability of committed credit lines and borrowing facilities
Market risk - Foreign Currency	Foreign currency receivables and payables; Forecasted foreign currency transactions	Cash flow forecasting and Sensitivity analysis	Insignificant foreign currency exposure
Market risk - Interest rate	Long-term borrowings at variable interest rates	Sensitivity analysis	The management monitors the rates of interests and continues to evaluate refinancing of debts at lower rates of interest on a regular basis.

[A] Credit risk

Credit risk is the risk of financial loss to the Company if the counterparty fails to meet its contractual obligations. The Company is exposed to credit risk from its operating activities (primarily trade receivables). However, the credit risk on account of financing activities, i.e., balances with banks is very low, since the Company holds all the balances with approved bankers only.

Trade receivables

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the customers outstanding balances to which the Company grants credit terms in the normal course of business. Concentration of credit risk with respect to trade receivables are limited, as the Company's customer base is large, reputed and having good credit credentials as well as that they are long standing customers. All trade receivables are reviewed and assessed for default on a quarterly basis. Historical experience of collecting receivables of the Company is supported by low level of past default and hence the credit risk is perceived to be low

[B] Liquidity risk

Liquidity risk is the risk the Company faces in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, Management considers both normal and stressed conditions

Maturities of financial liabilities

The below table analyses the Company's financial liabilities into relevant maturity groupings based on their contractual maturities. The amounts disclosed in the table are contractual undiscounted cash flows, balances due within 12 months equal their carrying balances as the impact of discounting is not significant

[C] Market risk

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- Currency risk; and
- Interest rate risk

The above risks may affect the Company's income and expenses, or the value of its financial instruments.

(i) Foreign currency risk

The Company is subject to the risk that changes in foreign currency values impact the Company's exports revenue and imports of raw material. The risk exposure is with respect to various currencies viz. USD. The risk is measured through monitoring the net exposure to various foreign currencies and the same is minimized to the extent possible

(a) Foreign currency risk exposure

The Company's exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows

Particulars	31-Mar-21	31-Mar-20	01-Apr-19
Financial assets			
Trade receivables			
USD	64.74	77.85	-
<i>Net exposure to foreign currency risk (assets)</i>	64.74	77.85	-

<i>Net exposure to foreign currency risk (liabilities)</i>	5.59	5.63	-

Shree Ram Proteins Limited

Notes to the Financial Statements for the period ended March 31, 2021

(Rs. In Lacs)

(b) Foreign currency sensitivity analysis

The sensitivity of profit and loss to changes in the exchange rates arises mainly from foreign currency denominated financial instruments. As the Company's exposure to foreign currency is insignificant, the overall exposure of foreign currency risk is not significant to the operations of the Company

(ii) Interest rate risk

Interest rate risk can be either fair value interest rate risk or cash flow interest rate risk. Fair value interest rate risk is the risk of changes in fair values of fixed interest bearing financial assets or borrowings because of fluctuations in the interest rates, if such assets /borrowings are measured at fair value through profit or loss. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing borrowings will fluctuate because of fluctuations in the interest rates

Interest rate risk exposure

The exposure of the Company to change in interest rate at end of the reporting periods are as follows

Particulars	31-Mar-21		31-Mar-20		01-Apr-19	
	Amount	% of total	Amount	% of total	Amount	% of total
Variable rate borrowings	3,757.30	85.93	3,952.32	100.00%	4,198.40	100.00%

	4,372.30		3,952.32		4,198.40	

Sensitivity

Profit and loss is sensitive to higher/lower interest expenses from borrowing as a result of change in interest rate

Particulars	Impact on profit after tax	
	31-Mar-21	31-Mar-20
Interest rate increase by 100 basis points	(50.20)	(52.81)

STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

1. Background

Shree Ram Proteins Limited ('the Company') incorporated in India is engaged in the business of edible oil and solvent extraction from all types of agro. The Company is a public limited company and is listed on the NSE.

2. Significant Accounting Policies followed by the Company

A. Basis of preparation

(i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

(ii) Historical cost convention

The Ind AS financial statements have been prepared on an accrual basis under historical cost convention basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value;

(iii) Current non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

(iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

B. Use of estimates and judgments

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

C. Foreign currency translation

(i) Functional and presentation currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency. The Company determines its own functional currency (the currency of the primary economic environment in which the Company operates) and items included in the financial statements of the Company are measured using that functional currency.

(ii) Transactions and balances

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates. Monetary assets and liabilities denominated in foreign currencies are retranslated into the Company's functional currency of the entity at the rates prevailing on the reporting date. Non monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at reporting date exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Profit and Loss.

D. Revenue recognition

Revenue is measured at the value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, discounts, loyalty discount; indirect taxes and amounts collected on behalf of third parties.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Sales are recognised when substantial risk and rewards of ownership are transferred to customer. In case of domestic customer, generally sales take place when goods are dispatched or delivery is handed over to transporter, in case of export customers, generally sales take place when goods are shipped onboard based on bills of lading.

Other operating revenue

Interest on investments and deposits is booked on a time-proportion basis taking into account the amounts invested and the rate of interest.

Revenue in respect of other types of income is recognised when no significant uncertainty exists regarding realisation of such income.

E. Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is provided in full, using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amount in the financial statement. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax assets is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses, only if, it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are off set where the Company has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively

F. Impairment of non-financial assets

Property, plant and equipments (PPE) and Intangible assets (IA) that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or group of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

G. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

H. Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for impairment, if any.

I. Inventories

Inventories of raw Materials and finished goods are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. A cost formula used is 'First-in-First-out'. Due allowance is estimated and made for defective and obsolete items, wherever necessary.

J. Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

- (1) **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent

solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

- (2) **Fair value through profit and loss:** Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(iv) Income recognition

Interest income

Interest income from debt instruments is recognised using the effective interest rate method.

Dividends

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established.

K. Property, plant and equipment

Property, plant and equipment are measured at cost/deemed cost, less accumulated depreciation and impairment losses, if any. Cost of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated attributable costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repair and maintenance costs are recognised in Statement of Profit and Loss as incurred.

Transition to Ind AS

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2019 as the deemed cost under IND AS. Hence, regarded thereafter as historical cost.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipments is provided on written down value method, over the estimated useful lives of assets. The Company depreciates its Property, plant and equipment over the useful life in the manner prescribed in Schedule II to the Act, and management believe that useful life of assets are same as those prescribed in Schedule II to the Act.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

In case of pre-owned assets, the useful life is estimated on a case to case basis.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

L. Investment properties

Investment property is property (land or a building or part of a building or both) held either to earn rental income or for capital appreciation or for both, but neither for sale in the ordinary course of business nor used in production or

supply of goods or services or for administrative purposes. Investment properties are stated at cost net of accumulated depreciation and accumulated impairment losses, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and the carrying amount of the Investment Property is recognised in Statement of Profit and Loss.

M. Intangible assets

Identifiable intangible assets are recognised when the Company controls the asset, it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured. Intangible assets are stated at cost less accumulated amortization and impairments. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Computer software

Computer software is stated at cost, less accumulated amortisation and impairments, if any.

Amortisation method and useful life

The Company amortizes computer software using the straight-line method over the period of 3 years.

Transition to Ind AS

The Company has applied for the one time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2019 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

N. Borrowings

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income.

O. Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other interest and borrowing costs are charged to Statement of Profit and Loss.

P. Provisions and contingent liabilities

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The expenses relating to a provision is presented in the Statement of Profit and Loss net of reimbursements, if any. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities are possible obligations whose existence will only be confirmed by future events not wholly within the control of the Company, or present obligations where it is not probable that an outflow of resources will be required or the amount of the obligation cannot be measured with sufficient reliability.

Contingent liabilities are not recognized in the financial statements but are disclosed unless the possibility of an outflow of economic resources is considered remote.

Contingent liabilities and capital commitments disclosed are in respect of items which in each case are above the threshold limit.

Q. Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the Government Securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

R. Earnings Per Share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

(ii) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

EXPLANATORY STATEMENT

(pursuant to Section 102 (1) of the Companies Act, 2013 and Secretary Standard 2 on General Meetings)

ITEM 4- Appointment of Mrs. Rashmi Kamlesh Otavani (DIN: 06976600) as an Independent Director of the Company- Special Resolution

Ms. Rashmi Kamlesh Otavani (DIN: 06976600) was appointed by the Board of Directors as an Additional Director with effect from January 05, 2021. As per the provisions contained under Section 161 of the Companies Act, 2013, the "Additional Director" so appointed shall hold office up to the date of next Annual General Meeting or the last date on which the Annual General Meeting should have been held, whichever is earlier. Accordingly, **Ms. Rashmi Kamlesh Otavani (DIN: 06976600)** as an Additional Director, holds office up to the date of this Annual General Meeting (AGM).

In terms of provisions contained under Section 160 of the Companies Act, 2013 and the rules made thereunder, a person who is not a retiring director in terms of Section 152 shall, subject to the provisions of this Act, be eligible for appointment to the office of director at any General Meeting, if he/she or some other member intending to propose him/her as a Director has, not less than fourteen days before the meeting, left at the Registered Office of the Company, a notice in writing under his/her hand signifying his/her candidature as a Director, or the intention of such member to propose him/her as a candidate for that office, as the case may be, along with deposit of one lakhs rupees. However, as per the proviso of sub-section (1) to Section 160 which is made effective from February 09, 2018 the requirements of deposit of amount shall not apply in case of appointment of Independent Director. **Mrs. Rashmi Kamlesh Otavani (DIN: 06976600)** appointment is also going to be as an Independent Director of the Company, there is no requirement of submission of requisite deposit.

Accordingly, Company has received a notice from a member accordingly candidature of **Ms. Rashmi Kamlesh Otavani (DIN: 06976600)** for the office of Director in terms of Section 160 of the Companies Act, 2013. **Ms. Rashmi Kamlesh Otavani (DIN: 06976600)** has also given a declaration to the Company that he meets criteria of independence as prescribed under Section 149(6) of the Companies Act, 2013 read with Rule 5 of Companies (Appointment & Qualification of Directors) Rules, 2014 and relevant regulation of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015. She does not hold any shares of Shree Ram Proteins Limited.

She has completed her course of Company Secretary in the year 2009 from Institute of Company Secretaries of India (ICSI). She has a post qualification experience of more than 9 years holding position as Company Secretary in some good reputed organisations. Further she is also an Independent Director in 2 other Listed Companies.

Further, the Nomination and Remuneration has evaluated the balance of skill, knowledge and experience of Ms. Rashmi Kamlesh Otavani. In the opinion of Nomination and Remuneration Committee and the Board, Ms. Rashmi Kamlesh Otavani fulfills the conditions for appointment as Non-Executive Independent Director as specified in the Act, the Rules made thereunder and the SEBI (LODR) Regulations, 2015 and he is independent of the management and considering her vast experience and knowledge, it would be beneficial to appoint her on the Board of the Company. The term of appointment of Ms. Rashmi Kamlesh Otavani as Non-Executive Independent Director is not liable to retired by rotation.

Relevant document in respect of the said item are available electronically for inspection by the Members from the date of Circulation of the Notice of the AGM. Members seeking to inspect such documents can send an email to cs@shreeramproteins.com.
